2019/0733/P	Amira Ibrahim	09/03/2019 10:49:43	COMMNT	This is a very good project and hopefully it will make our estate safer. We have suffered a lot from antisocial behaviour and drug use around the estate for so long. We can't wait for the gates to be put in place and hope the same will be done for other exits around the estate to deter drug users/dealers and rough sleepers which we are seeing more of each day.
