EMERGENCY SHUTDOWN NOTICE

Curnock Street Estate

Emergency Shutdown of Heating

Dear Resident

Please be advised that in order to carry out emergency works within the main boiler house to improve heating temperatures, we will need to shut down the heating this evening.

Please be advised that GEM engineers will be on site to carry out the repair during the shutdown and will aim to restore the heating as soon as possible.

If you require a temporary heater, please contact our office on 020 8985 0409 option 1.

We apologise for the inconvenience this will cause you.

Thank you for your co-operation.

Kindest Regards
GEM Environmental Building Services LTD
