Dear Residents

Re: Smoking in the Communal Areas

Following on going complaints about residents and / or visitors to Goldthorpe, smoking and disposing of their cigarette in the communal areas, I write too once again remind residents that this is a hazard and may result in another fire at Goldthorpe.

Because of the risk this poses to all residents, if you see or are aware of the individual or household(s) involved in this behaviour, please let me know so that further action can be taken.

Yours sincerely
